Data: Probando envío de transacciones a LACChain desde Stamping.io

The screenshot shows the Stamping.io web interface. At the top, there is a dark header with the Stamping.io logo and the tagline "Blockchain for recording digital evidence". Below the header is a navigation bar with buttons for "Submit", "Inbox", "Sents", and "Data Wallet". The main content area is titled "Record data as digital evidence" and includes a warning: "Keep in mind that the data you enter is not will saved in our system, we only calculate the SHA-256 hash and store it in our blockchain". There are four tabs: "Data", "Hash", "API", and "Files". The "Data" tab is active, showing a text input field with the hash "87cd97273615db315d93b47191440feb2ea3acadc8ab31484fc850bbfeaeb80b" and the data "Probando envío de transacciones a LACChain desde Stamping.io". A "Submit" button is located to the right of the input field. Below the input field, there is a note: "You can enter in JSON format, XML or a free text." At the bottom, there is a footer with the Stamping.io logo and the text "Powered by stamping.io All Rights Reserved".

The screenshot shows a web-based hex conversion tool. It features a light gray background with a white input field at the top containing the hex string: 0x65303739313062376562393833333330303466333863363631323131363862353137646661636637616261643130613038613765316230393638623634636230. Below the input field are three buttons: 'Convert' (with a circular arrow icon), 'Reset' (with an 'x' icon), and 'Swap' (with a swap icon). The output field, which has a light green background, displays the converted hex string: e07910b7eb98333004f38c66121168b517dfacf7abad10a08a7e1b0968b64cb0. At the bottom left of the tool is a 'Select' button.
